

## Report from the Mens Captain Tom Higgins – Winter 2024

After seven years in Division 1, where we enjoyed three championships and four runner-up spots, it's tough to say we've been relegated to Division 2. But despite this setback, our young team really showed their grit and played with great spirit throughout the weekend.

We had a few new faces joining us, and their debut performances were promising. The experience they gained will definitely help as we look to the future.

As team captain, I want to thank our selectors, Dave, Rob, and Simon, for all their support. And a special thanks to Graham Ray for all his behind-the-scenes work.

We will hopefully look forward to returning back to Division 1 in a few years.
